

I Want a Hat Like That Instant Challenge

Wearing different clothing or a hat can make people feel and act differently. For this Instant Challenge your team will create a hat using the materials provided. Your team will also create a story in which a character will undergo a transformation after putting the hat on.

Rules

- During part one your team will have three minutes to create the hat that will be used in the presentation
- During part one the team will also create the presentation that will be given in part two
- The hat created in part one will be put on at some point in the presentation during part two, the team will earn points based on the transformation that occurs in a character after putting the hat on

Materials

- Any materials can be used for the hat construction, provide your team with materials you have easy access to

Scoring

- 20 Points for the creativity of the hat created in part one
- 20 Points for a story in part two that has a clear beginning middle and end
- 20 Points for the transformation that occurs in the character after the hat is put on
- 20 Points for creativity of the story
- 20 Points for teamwork
