About Us

Destination Imagination is an educational program where student teams solve open-ended STEAM (science, technology, engineering, arts and mathematics) and service learning Challenges and present their solutions at tournaments. In working to solve our Challenges, our teams learn invaluable 21st century skills, including creative and critical thinking, project management, collaboration, and conflict resolution.

Mission

To develop opportunities that inspire the global community of learners to utilize diverse approaches in applying 21st century skills and creativity.

Destination Imagination, Inc. is committed to developing affordable, life-enhancing programs that teach students the creative process—a powerful tool that is at the root of all innovation in the arts, sciences, and social entrepreneurship. Through our programs, students learn the skills needed to thrive in an ever-changing world, including creative and critical thinking, collaborative problem solving, and global competency.
