

Team Cost Break-Down

The following data summarizes the costs of having a Destination Imagination team in Wisconsin for the 2016-17 Season. The costs above do not take into consideration the travel expenses to attend tournaments, the cost of moving props, volunteer Team Manager or Coordinator pay or stipends, or expenses for merchandise, pins, or t-shirts. These are all real costs associated with participation in Destination Imagination, however, each group or school handles them differently and therefore, it is difficult for Wisconsin DI to estimate.
