NEW TEAM MANAGER CRASH COURSE TRAINING

Are you a new Team Manager that wants to know more about getting started? Have you been a new team manager in the past year or two? This crash course webinar will expand on the training materials offered by Destination Imagination and help prepare you to navigate your team through the DI experience. You'll walk away with an overview of all Resources available to you as a Team Manager, how best to utilize them, and some practical hands on team builders and resources that you can take back to your team!

Wednesday, November 16th / 7-9pm
Virtual Training / Will Be Recorded
