

ENGINEERING CHALLENGE

- Design and build a roller coaster that will be assembled and then tested during the Presentation.
- Design and create a launching mechanism that starts moving a golf ball along the roller coaster track.
- Test how far and how fast the golf ball can travel through the roller coaster.
- Create a Presentation that shows what the riders would experience when riding the roller coaster.
Create and present two Team Choice Elements that show off the team's interests, skills, areas of strength, and talents.
