VOLUNTEERING AS A WISCONSIN DESTINATION IMAGINATION APPRAISER

What is Destination Imagination?

Destination Imagination fosters the development of creative and critical thinking, project management, teamwork, and problem-solving skills. The emphasis of DI is on learning and implementing the creative process as teams prepare their Team Challenge solutions and practice Instant Challenges to prepare for tournaments.

The DI tournament is a culminating celebration of what the teams have learned throughout the year. It celebrates the teamwork, project management, and creative skills they have learned on their journey through Destination Imagination.
