EARLY LEARNING CHALLENGE PREVIEW: HELPING HANDS

Our Rising Stars for Early Learners Challenge offers simple experiences with the creative process, and it gives young kids (preschool through 2nd grade) a place to work together and make new friends.

Teachers, firefighters, librarians, nurses, pet adoption coordinators, food bank workers, and many other community helpers spend their days working to make our world a better place. It's time to learn about how you can help too! Every day is a great day to lend a helping hand in this season's Early Learning Challenge!

The 2025-26 Rising Stars teams will get to:

- Research different kinds of community helpers.
- Create and present a play about community helpers working together to solve a problem.
- Design and create a set that shows where at least one of the community helpers works.
- Create and present a song about helping.
- Create and present one Team Choice Element that shows off the team's interests, skills, areas of strength, and talents.
