SCIENTIFIC CHALLENGE PREVIEW: UNFORGETTABLE

Our Scientific Challenge blends the curiosity of scientific research with the creative expression of performance art.

Did you see that!? Are you sure? Can you trust your memory, or have your eyes been deceived? Find out in this season's Scientific Challenge, when you explore the science of human memory and misdirection. Bring a memory to life with your memory depiction, complete with a special effect. How will your team be remembered?

- Create and present a story about how a character recalling a memory leads to a realization.
- Integrate your team's research about the science of human memory into the Presentation.
- Create and present a memory depiction. Enhance the memory depiction with a special effect.
- Include a misdirection in your Presentation.
- Create and present two Team Choice Elements that show off the team's interests, skills, areas of strength, and talents.
