## DESTINATION IMAGINATION TEAM MANAGER

*Support Creativity. Empower Problem-Solvers. Inspire the Future.*

A Team Manager is the adult volunteer who guides a Destination Imagination (DI) team through their creative problem-solving journey. You help organize meetings, manage logistics, and encourage teamwork—but never solve the Challenge for them.

Think of yourself as a guide, cheerleader, and creative project manager—not a coach .

### YOU'LL GET TO:

- ✓ Facilitate fun and engaging team meetings
- ✓ Provide encouragement and support
- ✓ Help your team stay organized and meet deadlines
- ✓ Ensure Challenge rules are followed
- ✓ Communicate with parents and your DI Regional & Affiliate contacts

✗ **YOU DON'T NEED TO** have any teaching experience, know the answers, and you cannot do the work for the team

DI is all about student-driven learning. You help kids take ownership of their ideas, solutions, and teamwork.

### WHAT MAKES A GREAT TEAM MANAGER?

- ✓ A positive attitude
- ✓ Patience and flexibility
- ✓ A love of creativity and collaboration
- ✓ Willingness to learn and grow with your team

DI provides training, support, and resources—so you're never on your own!
