

## 2025-26 NORTHEAST REGIONAL TOURNAMENT SCHEDULE

Saturday, February 28, 2026 Algoma High School 17156 Division St. Algoma WI

### Tournament Information

*Welcome! Good luck to all teams competing in the tournament!*

Thank you to all of our Team Managers, teachers, school sponsors, Appraisers, volunteers, and parents/guardians for your hard work in making this tournament possible!

#### Tournament Notes & Reminders

- Teams should report to their Challenge Prep Area 20 minutes before their scheduled Presentation time. Engineering teams report 60 minutes before.
- Spectators will NOT be allowed to enter the Presentation Area once a Presentation has begun.
- Teams are encouraged to visit the Wellness Center atrium for fun activities as a way to meet new friends and show good sportsmanship.
- Parents, spectators, and Team Managers: remember to respect the rules of Interference. Do not interfere with the team's solution.
- All teams should report to Fulwiler Fieldhouse for the Closing Ceremony by 4:45 p.m.
- The top five teams in each Challenge and level will qualify to advance to the Wisconsin Affiliate Tournament on April 11, 2026, at Sun Prairie West High School in Sun Prairie, WI.

A special thank you to the Algoma School District, faculty and custodial staff for use of the Algoma High School for our tournament! Thank you to the Algoma Music Boosters for providing today's concessions.

Thank you to Millie's Pub and Grub for providing the Appraiser lunch. Millie's Pub and Grub is located at 518 Fourth Street, in Algoma,

We invite you to dive right into the middle of the action! With this season's Engineering Challenge, you'll tell a story that starts with an in medias res scene. Make sure to include something important that expands, extends, or goes above and beyond. Defy gravity as you load up your structure with weights placed as far away from the base as possible. We can't wait to see how you'll go above and beyond!

- Test how much weight a team-created structure can hold by placing weights onto the Structure as far from the center as possible.
- Create and present a story in which something important expands, extends, or goes above and beyond.
- Begin the Presentation with an in medias res scene.
- Include an expansion effect.
- Create and present two Team Choice Elements that show off the team's interests, skills, areas of strength, and talents.

Bright and dark, young and old, many and few...the world is full of opposites. Explore opposing themes while telling a story based on an inciting incident. Include a resolution trope and a random setting. Don't get lost in darkness as you use a shadow screen and shadows to enhance your story! Get ready to step out of the shadows and into the spotlight in this season's Improvisational Challenge!

- Create and present an improvisational skit based on an inciting incident.
- Research pairs of opposing themes and incorporate a pair into the skit.
- Include a randomly selected setting.
- Research resolution tropes and incorporate one of them into the skit.
- Use a shadow screen and a box of materials to enhance the skit.

Some are destined for great good, others for great evil. In this season's Fine Arts Challenge, you'll have the chance to show how one hard choice can set two characters on two different courses, as one becomes a superhero and the other becomes a supervillain. Use stage makeup and a technical costume to enhance some of your Presentation. It's time to decide your fate!

- Create and present an origin story that shows how one character becomes a superhero and a different character becomes a supervillain.
- Use theatrical methods to portray a difficult decision, situation, and/or event.
- Use stage makeup on at least one team member.
- Design and create one technical costume.
- Create and present two Team Choice Elements that show off the team's interests, skills, areas of strength, and talents.
